6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The IQAC Cell of the college works towards improving and maintaining the quality of education, identifying and suggesting new ways of using teaching aids, developing suitable infrastructure, and offering suggestions for the new self-finance courses. IQAC is an effective and efficient internal coordinating and monitoring mechanism. The IQAC plays a vital role in maintaining and enhancing the quality of the college and suggests quality enhancement measures to be adopted. The IQAC meets every quarterly to plan, direct, implement and evaluate the teaching, research, and publication activities in the College. The sub-committees dealing with various activities and departments implement the IQAC guidelines and report the feedback. The IQAC strives to spread quality culture through quality enhancement initiatives and best practices. Significant improvements in quality have been made by institutionalizing the following IQAC initiatives: Strategic planning of key areas and assigning responsibilities –

1. Academic results
2. Student technical training
3. Student soft skills development
4. Faculty development programs
5. Research and development
6. Interaction with industry

Monitoring and mentoring of academic and administrative activities.

Academic inspections are carried out periodically to assess the quality of academics. The inspections involve:

1. Review of healthy academic practices
2. Mechanisms to identify and reform academic practices
3. Review of departmental facilities
4. Facilitate implementation of innovative methods

Upload two examples of best practices institutionalized as a result of IQAC initiatives

IQAC is one of the major policy making and implementing unit in our college. It strives hard for upgrading the college infrastructure and all support facilities to meet the standards of higher education and growing need of students. It assesses and suggests the parameters of quality education.

1. Millet year 2023-24 –

Objective: Educate the community about the nutritional benefits of millet and promote its role in a healthy diet. Raise awareness about the environmental sustainability of millet cultivation. Highlight millet's importance in food security and sustainable farming practices. Encourage healthier eating habits among students and the wider community.

2. Fostering an Inclusive and Celebratory Work Culture through Personalized Engagement and Community Building-

Objective: To create a positive, inclusive, and motivating environment by recognizing diversity, celebrating milestones, and fostering interpersonal connections through personalized rewards, team-building activities, and shared celebrations.
